

## A Mission of Hope

Because of Christ, the Methodist Children's Homes exists to promote healing in hurting children, provide hope to troubled families and prepare the next generation of servant leaders in Mississippi.

Methodist Children's Homes seeks to bring restoration to children and youth who have been neglected or abused. By the end of their time with us, we hope to see that they find reconciliation with their biological families, love within an adoptive family or success as a productive, independent individual.
