Imagine No Malaria Giving from Abundance Calendar for Lent 2017

During Lent we are called to pray, to sacrifice and to give. Imagine No Malaria helps us put our faith into action as we think about the blessings in our lives and give so that others may live, and live more abundantly! The Giving From Abundance Calendar invites us to think every day about our access to resources and services that support our health. Clean water, electricity, transportation, medicine ... “necessary conditions for life” many of us take for granted. In reflecting upon our abundance, we are called to help create abundant life for others.
